

This architectural floor plan depicts a three-bedroom apartment. The layout is defined by a grid with vertical lines A, B, C, and D, and horizontal lines 1, 4, and 6. The overall dimensions are 11500mm in width and 12800mm in depth. The plan includes three bedrooms (卧室), a living area (休闲), a balcony (露台), and a terrace (露台). Key features include:
 

- Bedrooms:** Three bedrooms are shown, each with a bed and wardrobe. The bedrooms are labeled with room numbers GL-1, GL-2, and GL-3.
- Bathroom:** A central bathroom is located between the bedrooms, featuring a toilet, sink, and shower area.
- Kitchen and Dining Area:** The kitchen is located on the right side of the plan, adjacent to the dining area. It includes a sink, stove, and refrigerator.
- Living Area:** The living area is situated in the center of the plan, featuring a sofa and a coffee table.
- Balcony and Terrace:** A balcony is located on the left side of the plan, and a terrace is located on the right side. Both areas are labeled with their respective dimensions and elevations.
- Dimensions:** The plan includes various dimensions for rooms and overall sections. For example, the width of the apartment is 11500mm, and the depth is 12800mm. Room dimensions include 5400mm, 2300mm, and 3600mm for the width, and 7200mm and 5400mm for the depth.
- Elevations:** The plan includes elevations for various levels, such as 6.700 (structure), 6.850, and 6.900.
